

Booth Site Permission Form

_____ I give my permission for Girl Scouts of Greater Los Angeles to set up a booth site at this location during the Girl Scouts of Greater Los Angeles 2016 Cookie Program from February 5 – March 6, 2016.

___ Yes, Girl Scouts of Greater Los Angeles can post an 11x17 poster at the entrance or other designated area during boothing season indicating that this location is an official Cookie Booth site. *(Our research shows that 19% of cookie customers who have purchased in the past were not asked this year, either because they were not approached by a Girl Scout or could not find a booth site. This poster will help drive customers to the booth site during scheduled hours, show customers how you support the community, and bring new and returning customers to your location.)* Posters will be delivered closer to boothing season.

_____ I am unable to give permission at this time for the reason(s) indicated in the comments section below.
