

# GIRL SCOUTS OF GREATER LOS ANGELES

## GIRL SCOUT ALUMNAE

### Reconnect with Girl Scouts!

Girl Scout Alumnae is reorganizing here in the greater Los Angeles area, and we want you to be a part of it.

1. We want to connect with you, and we want you to reconnect with Girl Scouts in whatever meaningful way you choose.
2. Juliette Gordon Low was well aware that FUN is what keeps the girls engaged, and it's what we're interested in, too! Come have some fun and network with us.
3. Are you interested in volunteering? GSA is a perfect way to connect with volunteer needs for an event, cookie cupboard activities, or other GSGLA opportunities.
4. Girl Scout Alumnae supports the mission and values of Girl Scouts by providing support to the council. Support our programs by donating. Find out how you can help.
