

THANK YOU

**Volunteers of the
Month**

Beth Rendeiro

Marina Service Unit

Beth has been a part of Girl Scouting for many years. Many leaders might get burned out after several years of service, but not Beth. Beth continues to serve GSGLA and the Marina Service Unit. Not only has Beth been the Service Unit Treasurer for several years, this year she took on the newly created position of Awards and Recognition Chair. As the chair, Beth makes sure that the leaders are recognized each month as Volunteer of the Month as well as submitting applications for Council Awards. We celebrate Beth for taking on this important position.
