

SELL NIÑO 2016

Make the wet weather work in your favor

El Niño Storm Trooper Patch

Girls and volunteers can earn a special patch for boothing, doing a walkabout, working a cupboard, or hosting a lemonade stand in the rain. One patch per person. Visit the website or contact your troop cookie chair for more information.

Dress for Soggy Success

How does your troop prepare for precipitation? Wear floaties, rainboots, and goggles; bring inner tubes and buckets; or turn your booth into a boat!

Big Storm, Bigger Goals

Don't let the rain dampen your troop's goals. Show customers with a poster or display how the rising waters match your cookie-selling success.

Punch Up Your Ponchos and Umbrellas

Brighten your booth on a stormy day with festive rain gear! Show us how your troop gets down to business with decorative ponchos and umbrellas, like this one available at GSGLA shops!

Share your rainy day boothing!
