

## College Day: Snapshots of UCLA

We cordially invite your troop to UCLA for our 5th annual **College Day: Snapshots of UCLA**. This is a day where we will share our experiences in college and how scouting has helped us here. This event is to provide scouts from grades 7th through 12th with all of the necessary skills and tips needed to help them get into the right college. We will be hosting several workshops about college-related topics as well as a tour of our beautiful campus.

**WHEN:** Saturday, March 4, 2017 9am - 3pm

**WHERE:** University of California, Los Angeles (UCLA)

**WHO:** Boy & Girl Scouts in 7th-12th grade

**TO APPLY:** [Application](http://tinyurl.com/CollegeDay2017) (<http://tinyurl.com/CollegeDay2017>)

**Application Opens: Monday, January 9, 2017**

**Application Closes: Monday, February 6, 2017.**

Please fill out one application and one attached waiver PER scout in attendance. Please note that scouts must have a *hard copy* of their waiver with them on the day of the event in order to participate. By default, the link currently states that we are no longer accepting applications. To give everyone a fair chance to hear about the event, the link will be closed to everyone until January 9th at 12:00AM PST, and we will not be accepting any applications until then. **We would like to clarify that the application will be opening to everyone on January 9th 12:00AM PST.**

## Q&A

### Is my Scout guaranteed a spot at College Day 2017?

There will be 150 spaces available for scouts this year. Please be aware that there are limited spaces for scouts when signing up. If we exceed 150 scouts, we will update this application and the [Bruin Scout website](http://www.bruinscout.wordpress.com) ([www.bruinscout.wordpress.com](http://www.bruinscout.wordpress.com)) to reflect the waitlist status. We would like to give all scouts a fair chance to participate in College Day, so top priority will be given to scouts who have not attended College Day in the past.

### How will I know if my Scout has received a spot?

When we have reached the limit of spaces available, all applicants will receive an email with an attached roster of the 150 scouts that have been accepted. After that, all submitted applications will be placed on the waitlist. Spots that open up will be given to those on the waitlist in order of submission.

**Is there a cost to attending College Day?**

The event will be free to all attendants. Because of this, we ask those who cannot attend to notify us as soon as possible so that other Scouts can attend the event in their place.

**Can parents attend College Day?**

Yes, we encourage parents to join in on College Day! During the first half of the day, parents will be able to attend a Parent Panel where their questions about the college and scouting experiences will be answered by Bruin Scouts alumni. For the second half of the day, parents can enjoy a tour of the beautiful UCLA campus.

**\*\*Please note that materials and lunch will only be provided for registered Scouts.**

Please feel free to forward this email to other troops and parents that would be interested. If you have any questions or concerns, please email us at [bruinscouts@gmail.com](mailto:bruinscouts@gmail.com) with [COLLEGE DAY] in the subject line in order to ensure that your emails are answered promptly.
