	Absolutely	Mostly	Somewhat	Not Really	Definitely Not	N/A
Before today, I/my troop was unaware of hunger in our community.						
Through the Discover, Connect, and Take Action choices, I/my troop learned more about how hunger affects people near to me.						
I/my troop felt that by participating today, I/we made a difference.						
By participating in this program, I/we are motivated to continue to help end hunger in our community.						
I/my troop would do the Feed Your Neighbor Service Month program again.
