We want you back!

Girl Scout Alumnae is reorganizing here in the greater Los Angeles area, and we want you to be a part of it.

1. We want to reconnect with you, and we want new members to have the chance to reconnect with Girl Scouts in a way that's meaningful to them.
2. Juliette Gordon Low was well aware that FUN is what keeps the girls engaged, and it's what we're interested in, too! Look for one of our upcoming activities to have some fun with us.
3. Are you interested in volunteering? GSA is a perfect way to connect with volunteer needs for an event, cookie cupboard activities, or other GSGLA opportunities.
4. GSA supports the mission and values of Girl Scouting by providing support to Girl Scouts of Greater Los Angeles. One of the quickest ways you can do that is by writing a check, if that's the best way for you.
