

Capitol Hill Girl Scout Gold Award Centennial Celebration Application

The GSUSA Public Policy and Advocacy Office is inviting all interested councils to submit an application for 2016 Girl Scout Gold Award recipients to exhibit their Gold Award projects at Girl Scouts' Capitol Hill Gold Award Centennial Celebration in Washington, D.C., on June 14, 2016.

At the event, GSUSA will be highlighting several 2016 Girl Scout Gold Award recipients who have completed Gold Award projects from October 1, 2015 to the present date. Selected girls will present their Gold Award Projects in an exhibit area at the event. GSUSA will select eight girls to exhibit their Gold Award projects, and our sponsor will provide funds to cover travel and lodging expenses for each girl and her CEO or other member of council leadership to attend Washington, D.C. event.

We are particularly interested in assembling a diverse group of Gold Award recipients from different regions of the country with projects focusing on financial literacy or STEM, but we are looking for a variety of topics to highlight. If you have 2016 Gold Award recipients in your council who have completed the Toyota Financial Services "Driving My Financial Future" program, we strongly encourage you to submit an application.

Please send this completed application to scholarships@girlscoutsla.org along with a photo of the applicant by **5pm on Wednesday, April 13th, 2016**. If you have questions, please contact Elizabeth Chadwick at the scholarships email listed above.
