

## Volunteers of the Month

# Helen McNamee

### Marina Service Unit

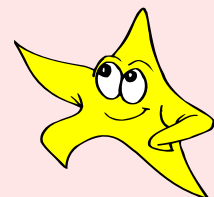

Helen has been the Service Unit cookie chair for as many years as I can recall. She continues to say yes to this remarkably challenging, time-consuming, yet important job and all of us in the service unit salute her service, dedication and energy.

She has a warm sense of humor that helps when we leaders make the same mistake twice and is clear about expectations, deadlines, requirements and needs.

She follows through on every detail of a very large service unit cookie sale and handles the ups and downs of these five months (Helen's cookie season) with aplomb and grace.

Thank you Helen!
