

Volunteers of the Month

Janet C. Gleason

Canon Trails/Rio Hondo

I am nominating Janet for being a great leader and always putting the needs of the girls before her.

She is constantly looking for new girls to join scouting and always finds the time to talk with other girls. Janet has been in scouts for 30 years, since she was five years old and this past month during cookie sales I have seen her passion explode in talking with girls from various troops about her own scouting history and inviting customers with young girls to come by and visit her at a troop meeting.

Janet is a great and wonderful example of what Girl Scouting is all about.
