

Volunteers of the Month

Jennifer Pavia

Marina Service Unit

Ms Pavia's troop has hosted the past four International Thinking Days for the Marina Service Unit and we are truly indebted to her and her girls.

The enthusiasm, organization and leadership of Jennifer's troop imbues the day with meaning and celebration. It's the event all the troops look forward to most. Thank you to Jennifer for her amazing mentorship and wonderful, warm dedication.

And...they're planning to host again in 2014!!!
