

We want to say **THANK YOU!**

Wednesday, April 22, 2015 is Leader Appreciation day! We can't thank you enough for all that you do!

Please stop by your nearest service center so we may say hello! Join us for some cake and punch and check out what's new in the shop.

Our Volunteers are the heartbeat of our organization and we could not carry out all the wonderful programs without your support. So let's celebrate your contribution to girls in Greater Los Angeles.
