

Volunteers of the Month

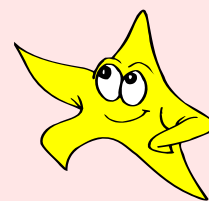

Marisa Stahl

THANK YOU

Marina Service Unit

Marisa has kindly coordinated Marina SU's Adopt-a-Family program for the past few years. The Service Unit troops work cooperatively with the Westside Children's Center to make sure all the families served by WCC receive holiday gifts and groceries according to their needs. Troops adopt families, shop for the gifts and gift cards based on the families' wish lists then deliver them to the Children's Center. Marisa oversees the entire program and for that we are grateful for her grace, understanding and organization as we strive for a meaningful connection with our larger community.
