### Marina Service Unit

The annual Marina Service Unit Parent-Daughter Dance is an event looked forward to by all of us and this year was the best one ever! It was coordinated by Marisa Stahl a first-timer for service unit event planning. We appreciate Marisa's passion and organizational skills, her troops well-executed event and the excellent fun we all had rockin' and rollin'. Marisa is a pleasure to work with and we look forward to many more fun times with her special touch. Thanks very much Marisa!

You rock!
