

# Volunteers of the Month

**Mia Strike**

**San Pedro Service Unit**

Mia is the perfect example of a mom who has “stepped up” to help out her daughter’s troop. In addition to her work, she’s also a student, and she’ll still pitch in wherever she’s needed. She helps out at meetings, has gone camping with us, and has even driven out to a campsite just so she could help transport girls and equipment back home. This year, with everything else she had on her plate, she took on the role of chairperson for our Fall Nuts sales – and she’s done a terrific job. And to top it off, she’s a terrific, sweet and funny person.
