

From **February 6 to March 6**, take **one more bite** of your favorite Girl Scout Cookie and snap a selfie!

Pick a filter and a caption, and **upload your creative cookie creation to the Girl Scouts of the USA [Instagram](#) or [Facebook](#) with the hashtag #onemorebite**. And if you don't want to be in the picture, that's OK. The cookies will do!

Then **rally your crew to vote for your pic or pics**—you can enter as many times as you want. Whoever enters the photo that gets the most votes wins a **one-year supply** of her or his favorite Girl Scout Cookie. Whoa! Y-U-M-M-Y.

And when you're done snapping all that greatness, make sure to save a few more bites to cook up a new Girl Scout Cookie-inspired recipe! Doesn't that sound dreamy? We think so!
