

## Parent Permission for Sensitive Issues

Your daughter is registered for the Healthy Relationships Workshop on May 20, 2017 at the Montclair Service Center. As part of the workshop's activities there will be topics discussed that can be considered sensitive in nature. Written permission from a parent or guardian is required for each girl who participates in the workshop. Below are a list of topics which may be discussed.

- Healthy relationships vs. non-healthy relationships
- Teen dating
- Drug and alcohol abuse
- Sexual Assault and/or Sexual Harassment

I understand that during this activity, my child will be exposed to issues and discussions that are, or could be, considered to be of a sensitive nature. I understand that I am responsible for communicating to the GSGLA staff member organizing the workshop about any needs that my child may have in regards to this activity. I am confident of my daughter's maturity and ability to participate.

I have read the above information and my Girl Scout has my permission to participate in the workshop.
