To complete Program Aide training you must put into practice what you have learned. You need to plan and execute activities with younger girls (not just assist with an already planned activity). Complete 6 activity sessions each consisting of approximately 2 hours per session. To receive your Program Aide Award, return your completed original form with original signatures and descriptions of what you did. Statements for example like, “I worked at day camp” will not be accepted. We want specific details. You must use this form.

**Ways to earn your activity session hours:**

1. Contact your service unit manager and ask her to contact Daisy or Brownie troop leaders regarding the possibility of you doing program at their meetings. (Or she may give you their phone numbers.)
2. Contact your membership specialist at council and ask if there are any opportunities for you to earn your hours; i.e., helping at a recruitment event (you will need to plan the activity) or with a Juliette program (“Journey Girls”).
