## I Am Camp

I am sunlight, a sheen on the water,  
a mist on the mountains and stars.  
I am a doorway out of the commonplace  
into a new adventuring experience.

I am a place where youth learns the joy  
of play without a sting, of fellowship  
without regrets, of creative effort that  
wearies not, of a good time that leaves no  
headache or heartache behind.

I am a new purpose for life  
that will make years of difference.  
I am noise and silence with a thrill in it.  
I am laughter and resolution that seeks  
the comfort of the hills.

I am energy and the touch of loving service.  
I am youth and the slowly emerging habits  
that make mature experience worthy.  
I am today and also the tomorrow  
that is being shaped.

I am a giver of gifts that pass not away,  
that time will not deceive.  
I am habits, ideals, ways of living,  
confirmed attitudes in the soul of youth.  
Because I am all of these and more  
I invite youth into fellowship with me. I am Camp.
