TWO WOMEN, ONE PRINCE AND PASSIONS DEEP AS THE STILL WATERS

In 1966—barely a year after the Dorothy Chandler Pavilion opened—The Music Center presented Rudolf Nureyev and Margo Fonteyn with The Australian Ballet. To celebrate our 50th anniversary, we bring back the internationally renowned dance company for their critically acclaimed reimagining of the world's most beloved ballet—*Swan Lake*.

Set to Tchaikovsky's immortal score and performed by live orchestra, Graeme Murphy's *Swan Lake* is brought to life in an unforgettable ballet that is both refreshingly original and reverently classical. This Southern California premiere of The Australian Ballet's most-loved production is not to be missed.

Recommended for ages 8 and up but open to all Girl Scouts and their families.
