

Volunteers of the Month

Tricia Cascione

Sagebrush Service Unit

Tricia is an active member of Sagebrush Service Unit. She held a cookie kickoff last month to get the girls and families excited about cookie sales. She is currently planning our International Thinking day which sold out - can't wait to see the results next week! Additionally, she has in the works a Camporee for one of the Cadette journeys this April. Girl Scouts definitely benefits from Tricia's energy and motivation and Sagebrush is glad she's a part of our team.

Thank you, Tricia!
