

# Juniors & Cadettes! HAVE YOU HEARD OF

# Whyville?

In the virtual world of Whyville, participants known as Whyvians are citizens of a world who come together to explore, learn, create, and have fun!

When: **January 10, 2015**

Where: **UCLA Boelter Hall, Room BH3760**

Cost: **\$15 (includes snack!)**

Two Sessions:

**Animals** will be from **8am-12pm**

**Marine Biology** will be from **1pm-5pm**

Welcome to Whyville! Whyville is a virtual world where girls can explore different careers and find new ways to make the world a better place!

Want to SCUBA dive into a coral reef? Interested in investigating Red Tides? Here's your chance to be a marine biologist in the virtual world of Whyville! Join us in an exploration of marine life from tropical fish to migrating sharks to deep sea creatures that live near scalding hot geothermal vents. This session features fun and enlightening activities sponsored by the Woods Hole Oceanographic Institute and the Field Museum, developed as a part of the educational virtual world of Whyville.

Are you fascinated by animals from zebra fish to kangaroos? Come join us for an exciting session of animal fun! Play Animal Olympics and discover how the panther runs so fast and the crocodile bites so hard. Care for mini pigs, pigeons and more and train to be a virtual vet. Visit a coral reef and spot the great white shark! This session features online games sponsored by the Field Museum and the MacArthur Foundation, developed as a part of the educational virtual world of Whyville.

**Please make sure and register correctly!**
