

# WOMEN IN STEM

**Saturday March 11, 2017  
8:30am-12:00pm  
Francis Poly High School, Sun Valley**

**Women play an integral role in advancing space technology!**

Following a group presentation by women professionals from Jet Propulsion Laboratory (JPL), Girl Scouts will participate in breakout sessions where our female pioneers will dive into deeper discussions of their fields.

**Hands-on activities, rovers, and aerospace  
job & education specialists too!**

**Cadettes • Seniors • Ambassadors**

**\$8/girl , \$3/adult**

**Includes snack and custom patch • register at [www.girlscoutsla.org](http://www.girlscoutsla.org)**

**Contact: Leslie Nesbit, [lnesbit@girlscoutsla.org](mailto:lnesbit@girlscoutsla.org)**

**STEM + Art = STEAM Power!**
