

# Cadettes & Seniors! (& Bridging Juniors)

## Wow! That's Engineering!

AECOM, in conjunction with UCLA and SWE (Society of Women Engineers) is sponsoring an event that you won't want to miss!

Girls Scouts are invited to attend a workshop that introduces girls to activities that you won't believe have to do with Engineering!

Parents are also welcome, and will be given scholarship/admission information and are free to explore the campus with the girls after the event.
