

SERVICE UNIT- & TROOP-HOSTED EVENTS ON THE GSGLA ONLINE CALENDAR

The Communications GO Team has been granted access to the GSGLA online calendar, and is now taking listings for council-wide service unit- and troop-hosted events on the [GSGLA's online calendar](#).

General info

SU and troop events that are open for council-wide registration may be posted on the GSGLA online calendar. These events will be under the category "Service Unit/Troop hosted Event." Please let your leaders and parents know that they should look under this new heading to find these types of events. Keep checking for events to be added.

All troops and service units who wish to have their council-wide event advertised on the GSGLA online calendar should check the box requesting it on the new [2014 Special Events Money Earning e-form](#).

Note: Any events open for council-wide registration that were previously approved may use this email, gsglalendar@gmail.com, to request inclusion on the calendar.

Instructions to access the service unit-/troop-hosted events on the GSGLA online calendar:
